384 pages

Review

Funny, engaging and in the end rather moving. (Charlie Higson *Guardian*)

A writer of comic genius - he has something of Roald Dahl's magic, but more heart. (Sunday Telegraph *Sunday Telegraph*)

An exciting, funny story that you don't want to put down. (Jemima Simm, aged 11 *First News*)

Five-laughs-a-page, fall-off-the-chair funny. (Mail on Sunday *Mail on Sunday*) About the Author Frank Cottrell Boyce is the award-winning author of *Millions*, *Framed*, *Cosmic*, *The Astounding Broccoli Boy*, *Sputnik's Guide to Life on Earth* and the *Chitty Chitty Bang Bang* sequels. He is also a successful writer of film scripts and, along with Danny Boyle, devised the Opening Ceremony for the London 2012 Olympics. He lives in Merseyside with his family.
