A super realistic Duckling top water imitation lure loaded with innovative features!

The 3D Scanned details will fool even the most vary predator fish and ensure you brutal attacks!

Hard ABS ultra-strong body with semi soft and durable feet. The spinning feet give the lure an incredible lively, splashing action, leaving a great bubble trail and wake calling in the predator fish from distance. For open water fishing, 2 feathered covered treble hooks, one on the chest and one on the back, clipped to the body, ensures good hookup rate. For fishing in snaggy conditions, remove the treble on the belly, the lure is designed, so it always land on the belly with the exposed treble hook on the back.

2 styles of action, attach the line to the Beak, and the lure will run with a low discrete posture, like a duckling trying to hide and escape at the same time.

Attach the line to the chest and the lure will run higher, with a more panic fleeing action. The lure can be fished fast or slow, with steady retrieve, long pulls, and mimics a duckling in the most realistic way!

Superb lure for Pike, Bass, Musky and big brutal Catfish!

It is said that a great top water strike, counts for 10 regular hits – tie on the Suicide Duck and find out!!
