Monin Premium Roasted Hazelnut Syrup 700 ml From Monin

In 1912, a 19-year-old entrepreneur named Georges Monin started out selling branded wine and spirits with a horse-drawn cart with the slogan, "A passion for quality". The company he founded has since been driven by this motto.

Quality remains a keystone in the entire production process. The finest ingredients are sourced from around the world to assure authentic taste and aroma. Plus, state-of-the-art technology is used to develop new products and applications. Always ahead of its time, Monin has created a reputation as the creative beverage.

Although hazelnuts have been enjoyed since antiquity, the rich aroma and taste of hazelnut have become extremely popular thanks in great part to the specialty coffee industry.

Featuring a distinctive, authentic roasted nut flavour, Monin Roasted Hazelnut Syrup is designed especially for iced or frozen lattes and coffees. Made with select ingredients and pure cane sugar, Monin Roasted Hazelnut Syrup is a highly concentrated, authentic flavouring offering exceptional versatility for creating specialty beverages.
